Summer Work

Mr. Shivas and Mr. Haubruck

Directions: Complete all of the following worksheets. If you need more paper, please attach it to this packet. All work must be shown in a neat, organized, and well labeled manner for credit. This packet is due on the 1st day of class of the 2009-2010 school year. Any late assignments will not be accepted.

The purpose of this assignment is to refresh many of the skills you learned in Algebra 1. By familiarizing yourself with these skills now, we will have less trouble building on them in September.
