

# AP Studio Art Summer Assignment

Mrs. Kivlon • [kivlona@kinnelon.org](mailto:kivlona@kinnelon.org)

The summer AP Studio Art assignment is designed to demonstrate your technical skills, research capabilities, creative expression and dedication.

---

Your summer assignment is due on the second day of class in September.

---

The list below gives you some specifics that you must follow. Beyond the given constraints you may let your creativity inspire you without limitations.

1. Create a pencil drawing of a hand on an 8.5 x 11" sheet of white paper.
2. Research ATC Cards (Artist Trading Cards) and create 5 themed cards following ATC guidelines. *All 5 cards must be visual explorations of one theme (one theme: 5 cards).*
3. Create a self-portrait.
4. Be prepared to bring your entire art portfolio to class on the third day of class in September. Your portfolio may consist of photography, 3 dimensional work or any art that you created in KHS, at home or in a private class. Although your portfolio should consist of all original works, digital images may be used if the original is unavailable.
5. A new or unused sketchbook with 10 dated pages of sketches, creative concepts, research, or exploration of themes.
