

Trig/Pre-Calculus H Grades 11&12

Students need to purchase the Kaplan SAT Math Workbook Third Edition. If this is a financial hardship for an individual, the student should see Dr. Merckling.

Read Chapter 21: 100 Essential Math Concepts

Complete the problems in

Chapter 8: Powers and Roots

Chapter 10: Basic Algebra

Chapter 11: Advanced Algebra

Chapter 14: Lines and Angles

Chapter 15: Triangles

Chapter 19: Coordinate Geometry
