

Jackson
Summer Reading 2007
4B

The Books:

You can purchase these books or borrow them from the library. They are fairly easy to read. Amazon has all of the books used, much cheaper than a retail store.

1. *It's Not About the Bike*, Lance Armstrong
2. *Persepolis*, Marjane Satrapi
3. *Way of the Peaceful Warrior*, Dan Millman
4. *In The Heart of the Sea*, Nathaniel Philbrick

The Assignment:

You need to write a one-page SUBJECTIVE response to each book. The word "subjective" means from your perspective. Please DO NOT re-tell the plot (I've read the books) and make sure you comment on some specific parts of the book. This does not need to be typed. On the first day of school, you will hand me these four pages and they will become your first grade of the first marking period of the last marking period of your life. You will also be responsible to participate in class discussions and take full-class reading assessments on at least two of the books.

Start soon. Have fun. See you next year.
