

Each athletic season a student athlete is required to have the following to be eligible to participate:

**A current athletic physical on file** (good for 1 year). If you choose to have a physical with your private physician, forms must be returned to the coach by the due date. Any athletic form received after the due date is considered late and you will not be eligible to practice the first day with the team.

- Complete the first 3 pages of the Health Questionnaire, including the parent signature. Your private physician should complete pages 4-7 of Physical Examination form
- It is extremely important that the forms are accurately completed in order for the Kinnelon School physician to clear the athlete to participate. This process takes 1-2 weeks, during that time athletes will not be eligible to participate.
- If you have Asthma or a life –threatening allergy, Physician orders for the 2010-11 school year must also be submitted by the due date (the links are below). Our school physician will not clear an athlete with incomplete forms, or missing medication orders if needed (Asthma or Life-threatening Allergies).

**Athletic Emergency card**- with current contact information, and must be updated each season. Emergency cards may be obtained from the coaches or athletic office. Be sure to include a parent signature.

**A signed Health History Update**- (only if over 60 days since the last physical) to assess any illness or injury since your last physical.

If you have Asthma, and require emergency medication (Inhaler) Forms can be downloaded from:

<http://www.kinnelonpublicschools.org/KHS/forms/0910-Asthma-Forms.PDF>

If you have a life-threatening allergy, and require emergency medications (Antihistamine, Epi-pen), forms can be downloaded from:
