

September 2011

Dear Parents and Guardians,

Welcome to the 2011-2012 school year at Kinnelon High School. We look forward to serving your children delicious and healthy meals.

The Kinnelon School District is enrolled in the National School Lunch program and offers the five components of a healthy lunch every day as well as a la carte choices appealing to a wide range of appetites. If your child chooses to buy lunch please encourage him/her to take all five components offered- entrée, vegetable, fruit, bread and milk.

For your convenience, we offer lunch tickets for sale in all cafeterias. Choose from 20 or 40 lunch tickets. Please make your check payable to "Kinnelon Board of Education" and note your child's name and grade in the memo section. The price for full student lunch is \$3.10 so please send \$62.00 for 20 lunches or \$124.00 for 40 lunches.

We offer several hot entrée options daily as well as made-to-order deli sandwiches and salads. Lunch service is available in both cafeterias for your child's convenience. A la carte items include fresh fruit, veggie dippers, bagels, hot pretzels, home-baked cookies and baked chips. Milk is available for \$0.55 for 8 ounces and is sold in low fat chocolate or fat free. Bottled water is sold for \$1.00 for 16 ounces.

Breakfast is served daily from 7:00 to 7:30 am. We offer Taylor ham, egg and cheese on a bagel, cinnamon buns, bagels, cold cereal, cereal bars, Green Mountain coffees, juices and milk.

Please refer to www.kinnelonpublicschools.org to access monthly menus and special promotion information. We look forward to serving your children this year. Any questions may be directed to Sue Hohorst at Kinnelon High School- 973-838-5515 or at hohorsts@kinnelon.org.

Have a great year!
