Editor's Remarks

Over this past school year our staff has worked diligently to preserve the prestige of our magazine. In 2005, Feedback ranked second in the American Scholastic Press Association's annual magazine competition. Having come so close to first place, it is our goal to surpass last year's success. It is my personal pleasure to display the work of our talented artists and writers.

I appreciate everyone who has continually supported the arts in our school. With this in mind, we would like to dedicate this year's issue to our beloved principal, Mrs. Toriello for her outstanding support of the arts during her tenure at KHS.
