## Around the School

**French** – Mme. Adams’ French 4Honors are working in groups on a mini-video project to explain to French students what Thanksgiving is all about (history/food/traditions). They’re drawing a poster as a background and will be recording their presentations using flip-videos. The best video might be sent to a class of Parisian middle-school students who are learning English. « **Bonne Journée d’Action de Grace!**” (**Happy Thanksgiving!/2<sup>nd</sup> Monday in October in Quebec**).

**Spanish** - Sr. Cataldi’s Spanish 5 Honors classes have partnered up again with a program in Clifton called “Dare to be you”. This program provides needy Spanish-speaking families with support activities that help in developing a strong and positive household. Most of the families are assimilating to life in the United States and are somewhat limited in their English abilities. The KHS students provide the needed translations as well as support for the program staff while interacting with the families in Spanish. So far, roughly 80 percent of the Spanish 5 Honors students have participated at least once in this program with many of the students attending on a regular basis.

**Library** - Did you Know...the KHS Library Media Center has a large collection of both fiction and non-fiction e-books. Now you can do research using over 400+ reference books without ever leaving your house. Read a chapter in the novel that you are currently working on in English class even if you forget the physical book in your locker. All this is available 24/7 through the KHS Library Media Center’s web site.
