

Creating the New You!!!!

Aneslaine's and Matrix are pairing up to help support Kinnelon's Project graduation with a night of beauty.

Come enjoy an evening out with your daughter, your girl friends, your Mom anyone who would love to learn the art of beauty. You will learn everything from how to apply makeup, picking the right hair color for your skin tone and the latest hair styles for a night out. Don't know what's hot this prom season? You will, by the end of the evening! You may even be picked to model the latest craze.

This night promises great techniques, great gifts and some awesome prizes. So save the date and not only create "The New You", but support your local school.
