Project Graduation - A Great Tradition

Project Graduation has become a great tradition and success at Kinnelon High School. This event is a community sponsored all-night activity for graduating seniors, which provides for a safe opportunity to celebrate their commencement together in a positive recreational setting.

Project Graduation is a drug, alcohol and tobacco free event that is hosted for all seniors at KHS. It will be held the night of graduation. If you have any questions about the night feel free to call or email. We hope to see all seniors there!

Additionally, we are asking for your financial support for Project Graduation. Your contribution today will help us to present this very exciting and memorable experience to the graduating class.

Please make your check payable to Project Graduation and mail to:
