

Safe on the bases

Things Happening:

Field Day will be earlier this year due to the school calendar. We are looking at May 29th for 1st and 2nd graders. Kindergarten will be on June 6th

Reminder:

With the spring season here we will be taking the students outside for class. Please make sure that they are dressed appropriately for PE. Thank you.

Our students will engage in all types of base games this month utilizing skills that have been previously learned. Activities such as kickball and tee-ball are always favorites, however students will be introduced to games such as Cricket and Bonkerball. The latter activities put a nice twist on traditional base games by moving the bases to new position and changing the running pattern. These activities usually turn into favorites once we have played them.
