

Dear Valued Business Professional,

It's that time again...time for The Pearl R. Miller Home & School Association (PRMSHA) to host its annual *Military Bridge* fundraiser. This year's event will take place in the PRM gymnasium on Wednesday, March 3, 2010 @ 6PM.

This fun and worthwhile evening gives guests the opportunity to play Military Bridge, an easy-to-learn card game, and the chance to win valuable basket auction prizes. Over the years, our *Military Bridge* fundraiser has raised more than \$9,000. It is our biggest and most important fundraiser of the year. Funds raised have directly benefited PRM students by helping provide updated technology, valuable assemblies, and other educational resources.

We are hoping this year's event will be the most successful fundraiser ever. To help us reach that goal, we are asking local business professionals to support and take part in this PRM tradition by donating \$30.00 to sponsor a table centerpiece. This is a wonderful opportunity to not only show your support for our school, but also to increase the visibility of your services. In acknowledgement of your donation, we will recognize your contribution by strategically placing your business card in the centerpiece as well as in the event brochure.

All checks should be made payable to PRMHS A. **Please be sure to include 3 copies of your business card.** All donations can be sent to Marianne DeAlessi, 54 South Glen Road, Kinnelon, NJ 07405. Arrangements can also be made for pick-up. If you have any questions please call Marianne @ 973-492-9691.

With your support, the 2010 Military Bridge fundraiser will be yet another huge success that greatly benefits our students. We thank you in advance and sincerely appreciate your support.

Sincerely,

Marianne DeAlessi  
Fundraiser Chairperson
