

P.R.M. AFTER SCHOOL CLUB/PROGRAM ACTIVITY PERMISSION SLIP

2009-2010

This form can be submitted for multiple dates but 1 activity only!

This permission slip is required as it indicates the parent knows, for safety purposes, where their child is after the regular school day. It is required for participation in all activities. Please note that office staff can not take faxes, phone calls, or emails releasing your children for the event.

Students will continue to obtain a late bus pass from their homeroom teacher. This universal slip should be handed in the afternoon of the activity to their club/program teacher to confirm their permission to stay.

In addition, it is the responsibility of the parent to know how their child is being transported home after the event (late bus, driver designee, or walking) and the late bus stops. Late bus stops may differ from regular bus stops; should parents need assistance in locating their child's late bus stop, they may phone the transportation department at the board of education offices at 973-838-1418.

I hereby give permission for my child, _____, to participate in the after school activity checked below. I am aware of how my child is being transported home after the activity as indicated below:
