

In the News

Room 4-G
Week of 1/29/12

Happy Groundhog Day!

Super Studies

Concepts covered this week included:

Reading/Language Arts

- Read independently
- Logged our reading
- Made inferences about text and connected them to specific evidence
- Published a personal essay
- Began to explore poetry

Math

- Reviewed the partial-quotients method of division
- Were introduced to the traditional method of multiplication
- Learned how to write remainders as fractions

Science

- Investigated water on a slope
- Built and used a thermometer

Other News and Information

Valentine's Day is coming very soon! We will be making Valentine's Day bags in class, so there is no need to send in a box. I have attached a list of first names of our students, so you may begin to address your Valentines if you wish to do so.

We have writing last period, every day. Please keep this in mind when planning to pick up your children early. The more they are here, the

more they will learn and grow. Your support is very much appreciated.

Report cards went home today. Please review your child's report card, sign the envelope, and return it to me as soon as possible. Thank you so much for your help!

Our staplers are shot. If anyone has a good one they would like to donate, used or new, we would truly appreciate it!

Here's to You!

In this newsletter, I would like to acknowledge two students who have exhibited exemplary behavior in the classroom. Here's to you!

First, I would like to acknowledge Alessio. Alessio pays close attention in class and participates often. He is enthusiastic and willing to learn. Way to go!

Next, I would like to acknowledge Amelia. Amelia is highly creative and thoughtful. She is great at connecting what she knows to what she has learned. We are happy she is on our team!

Great work to all of our students—I'm so glad you're part of our fabulous team! I look forward to recognizing each and every student in weeks to come.
