

Take a Peek At Our Week!

Mrs. Koonjy

Jan. 30- Feb. 03

Work Accomplished

Math: We completed Unit 5 in math. The test is on Wednesday, February 8th.

Writing: Our five paragraph personal essays are completed! They will be proudly displayed on our bulletin board outside the classroom.

Reading: We continue to explore inferences and story elements. The class listened to *Coming to America* and *Peppe the Lamplighter*. The class also had fun using their schema while exploring the mystery "garbage!"

Science: Water, water everywhere! We started our new unit on Water. We learned about surface tension. Ask your child about the pennies!

What's Happening

Reminders:

- Jump Rope For Heart - Tuesday, February 7th - Wear sneakers!
- Scholastic Orders- Due by February 10th
- Valentine's Day- February 14th

Report cards are in today's Friday Folder. Please take the time and review them with your child. Please keep the report card at home and **send back the signed envelope on Monday.** If you have any questions, please don't hesitate to contact me.

Our scheduled time for Science is from 9:25-10:05 each day. Please make sure your child arrives to school on time. Students who come in late miss valuable information and hands on experiments. Thank you!

Have a wonderful weekend!

Tests/Quizzes
