Re: Summer 2009 Curriculum Projects

Curriculum Projects Summer 2009

The Kinnelon Public Schools has a variety of curriculum writing opportunities available during the summer of 2009. Candidates need to satisfy prerequisites to be eligible for consideration. Flexible hours will be available but there will be specific benchmarks for completing the curriculum writing process. Candidates may apply for more than one curriculum project. Application(s) letters should be forwarded to:

Diane DiGiuseppe
Curriculum Office
109 Kiel Avenue

Compensation Rate: \$46.87 per hour

Professional Development Hours: In addition to the hourly compensation rate participants in curriculum projects can receive professional development hours in accordance with the 5 year 100 hour state standard.

Prerequisites:

- Must have completed a training program that emphasized the UBD format (i.e. INTEL, district sponsored UBD training program, out of district UBD type course)
- Must participate in a designated workshop for curriculum writing during the ½ day inservice on June 25, 2009. (Due to State of NJ changes, all writers, even those who have written curriculum in the past must attend.)
- Must have experience in the appropriate content area
