

Does Your Child Want To Play Competitive Soccer?

**The Kinnelon Soccer Club is looking for
players for the current U8/U9 Boys team
(Boys born between August 1, 2001 and July 31, 2003)**

What is the commitment?

Games are typically on Sunday afternoons starting after Labor Day and continue through mid-November in the fall, and early April through mid-June in the spring. Exact calendar is determined by Morris County Youth Soccer Association (www.mcysa.org). There are 10 league games for each Fall and each Spring season.

Typically each team practices 2 times per week for each 10 week season. One weekday session with a professional trainer, and Saturday mornings with coach. Practices are 1.5 hours for each session. Funding for the trainer is included in the player registration fees.

We encourage families to speak with existing players, friends, coaches, and club officials so they are aware of responsibility each family & player has to their team and club. Club handbook and officers are listed on www.kinnelonsoccer.org.

*Questions regarding registration can be directed to Chris Hatch at hatch4420@optonline.net
