

Cut-a-Thon to Benefit

The 4H "I See For You" Seeing Eye Puppy Raising Club

The Fantastic Sams located at 1161 Rt. 23 South in Kinnelon

(across from Lowe's Home Improvements)

will be holding a Cut-a-Thon on **Wednesday, February 1, 2012** to raise funds for the
4H "I See For You" Puppy Club.

**The Passaic County 4H "I See For You" Puppy Club
raises puppies for The Seeing Eye. These puppies will someday
become Seeing Eye Dogs.**

The Seeing Eye, Inc. is the oldest existing guide dog school in the world.

Until a Seeing Eye Dog is ready for training, it spends its time with a "foster family", a family that gives the pup love, gentle guidance, and constant care. At 7 weeks old these puppies are delivered to their foster families (or puppy raisers) and spend their first year learning basic obedience while their puppy raisers expose them to a variety of social situations. This basic training and exposure these pups learn while in The Seeing Eye Puppy Raising Program helps the puppies become accustomed to things they will experience as working Seeing Eye Dogs.

The funds raised on February 1st will go toward training collars, leashes, club apparel, and costs for 4Hers to attend club events.

Please join us anytime **on February 1, 2012**. We are open from **9am til 8pm**.

You will look great with your new haircut and feel fantastic about helping people who are blind or visually impaired with the independence that a Seeing Eye Dog gives them.

Kid's & Men's Cuts --- Cut-a-Thon Special \$10.00
