

KIEL SCHOOL ABSENTEE CALLS

The Nurse's Office of Kiel School has an answering machine for Absentee Calls. If your child will be absent, please call the Nurse's Office at 838-6651 and follow the directions to leave a message regarding your child's absence.

If your child is absent and the school does not receive a call, the school will call the parents to check on the student. Thank you for your cooperation. We hope this new system will be more convenient for the parents and result in a safer environment for our students.
