

Dear Families,

Birthdays are such special occasions! We certainly want to take the time to celebrate this happy day with your child in Kindergarten.

Your child is invited to bring in a special book for the classroom to be read in honor of his or her birthday. A parent or loved one is welcome, if possible, to read to the class. The time and date should be arranged with your child's teacher several days in advance.

We ask that edible birthday treats not be sent in; In addition, we ask that no goody bags be brought in.

Thank you for your understanding and cooperation!

The Kiel Kindergarten Teachers
