

## Welcome to 2<sup>nd</sup> Grade!

We are excited to welcome you to our class. Although we have plenty of supplies here to share, we know that it is fun to pick out our own stuff. We will send home suggested supplies letters during the first few weeks of school. You will need however a few things to start the school year off.

Please bring with you on the first day of school:

- A 2 pocket portfolio to keep homework neat and clean for the return trip to and from school.
- Your lunch
- One healthful snack and a drink each and every day.
