

Maschio's Food Services, Inc.

September 2010

Dear Parents and Guardians,

Welcome to the 2010-2011 school year at Stonybrook School in Kinnelon. We look forward to serving your children delicious and healthy meals.

The Kinnelon School district is enrolled in the National School Lunch program and offers the five components of a healthy lunch every day as well as a la carte choices appealing to a wide range of appetites. If your child chooses to buy lunch please encourage him/her to take all five components offered- entrée, vegetable, fruit, bread and milk.

For your convenience, we offer lunch tickets for sale in all cafeterias. Choose from 20 or 40 lunch tickets. Please make your check payable to "Kinnelon Board of Education" and send it in to school with your child. Please note your child's name, teacher and grade in the memo section of the check. The price for a full student lunch of entrée, vegetable, fruit, bread and milk is \$2.50. If you choose a 20 lunch ticket, please send a check for \$50.00 or \$100.00 for 40 lunches.

A la carte tickets are also available for \$17.00. Your child may choose from healthy snacks of fresh fruit, low fat ice cream, hot pretzels, home baked cookies and baked chips. Milk is available a la carte for \$.55 for 8 ounces and is available in chocolate, low fat or fat free. Bottled water is sold for \$.50 for 8 ounces.

Please refer to the Kinnelon Public Schools website to access monthly menus and special promotions. We look forward to serving your children this year. Any questions may be directed to Sue Hohorst at Kinnelon High School- 973-838-5515 or at hohorsts@kinnelon.org.

Have a great year!
