

Dear Parents,

I am really looking forward to working with your child in Kindergarten! It is helpful for me to know a little about your child prior to the year starting. Your child is a special member of our class!

If you would please take a few moments and write about your child it would be appreciated. You might like to write about his/her school experiences, friends, interests, favorite activities, habits, talents, etc.

Thank you for your help! I am looking forward to an exciting year with your child!

Welcome to Kindergarten,
The Kindergarten Teachers
