If more than 4 inclement weather days are used prior to April 7, 2023 an appropriate number of school days will be added to the calendar subtracting from the Spring Break beginning with April 14, 2023. If more days are needed to complete the 180-day requirement, they will be added in June and then as necessary. The date of the high school graduation may change depending upon inclement weather days during the year. If all inclement weather days are not used during the 2022-2023 school year, these additional days will be added into the calendar. \*\* Please note that November Parent Conferences are 1/2 days for Kiel, Stonybrook and PRM only. KHS has a full day schedule. School schedules are on the next page.
