January 27, 2022

Dear Kiel Families,

Valentine's Day is right around the corner, and we are very excited to celebrate at Kiel School!

All class parties and activities for **Valentine's Day** will be held on **Monday, February 14th**. We are also very happy that students will be able to exchange valentines this year; a beloved tradition that I know so many have missed since the beginning of the pandemic. I just ask that you please adhere to the following guidelines in sending your child to school with valentines to share with their classmates:

- Please prepare a valentine for every student in your child's class.
- Please do not include food or candy as part of a valentine.
- Please make arrangements directly with your child's teacher if items need to be dropped off at school. This should take place between the hours of 8:30am - 4:30pm.

Teachers are in the process of making their individual class plans with regard to **Valentine's Day** parties and activities. Please don't hesitate to contact your child's teacher if you have any questions or a contribution that you can possibly make. Unfortunately, parents/guardians are unable to attend.

On behalf of Kiel School, I wish everyone a very **Happy Valentine's Day** with your loved ones!

Best,

Jennifer E. Oluwole
