

## Kinnelon Safety Town

Now in our 19<sup>th</sup> year!

“Where children have fun,  
While at the same time  
learn about safety!”

### PROGRAM DATES

**Monday, June 24, 2019**

**Tuesday, June 25, 2019**

**Wednesday, June 26, 2019**

**Thursday, June 27, 2019**

### **At Kiel School**

This 4-day program introduces our incoming Kindergarten students to our school and affords them the opportunity to meet teachers and make new friends.

For a small fee, our young campers experience 4 days of fun and games while at the same time learning about the many ways to stay safe.

We split our campers into small groups during the week. The program will begin at **9:30 am and end at 11:00 am**. Each day, the small groups are managed by 6- 8<sup>th</sup> grade Pearl Miller Camp Counselors, where our very own middle school students donate their time to this worthy cause. On **Thursday**, June 27<sup>h</sup>, the program will begin at 9:30 am for a 1-hour, special graduation puppet show.

Our local community heroes expose our campers to safety procedures for riding the bus, riding a bicycle, fire safety, stranger danger, sun safety, playground safety and water safety to name a few. The educational safety classes focus on a number of safety topics, each with the goal of

preventing injuries and teaching students how to be safe.

The best thing about Safety Town is our outdoor town complete with

miniature buildings that represent our area businesses. Each of these businesses sponsor Safety

Town every year. Our campers love to ride the big wheels through the town, complete with traffic signals, stop signs and yield signs.

Closing day brings a special graduation ceremony with a Safety Puppet Show, produced by puppeteer, Mike McDade.

If you would like more information about the program, please contact...
