RE: Snow Routes  
DATE: November 1, 2023

Snow Routes are established for areas in Kinnelon where buses cannot safely travel in inclement weather. To find out if schools are closed or snow routes are in effect for morning or afternoon pick-up (for Smoke Rise only or the entire town), please go into the Kinnelon Public Schools website ([www.kinnelonpublicschools.org](http://www.kinnelonpublicschools.org)) *IT IS SUGGESTED THAT IF YOU WANT AN IMMEDIATE SNOW ROUTE MESSAGE, SIGN-UP FOR THE KINNELON SCHOOLS ALERT.* You may also call your child's school. The school phone numbers are listed below:

Kiel School	<b>838-0611</b>
Stonybrook School	<b>838-1881</b>
Pearl R. Miller School	<b>838-5250</b>
High School	<b>838-5500</b>

Please note the following information:

1. Follow the same procedure as listed above if:
  - a. A storm develops during the day or if the weather is questionable
  - b. To find out if snow routes are in effect or cancelled for the afternoon dismissal
2. In the event of a **“DELAYED OPENING”** or **“EARLY DISMISSAL”**, *snow routes will automatically be in effect, but will NOT automatically be in effect the next morning.* You will be notified if snow routes are in effect. For a delayed opening, students will board their bus at the **“SNOW ROUTE DESIGNATION”** (if applicable) **two (2) hours** later than their regular scheduled time. It is difficult to assign a pick up time for a snow route because stops have been eliminated. Therefore, the bus route is quicker, so please be at snow route stop earlier than usual.
3. When dropping off or picking up children at the “snow route area” please:
  - A) Leave the intersection clear
  - B) Do not drive away until **ALL** the buses have left the area

**IN THE EVENT OF SNOW ROUTES, ONLY THE FOLLOWING STOPS HAVE ALTERNATE BUS STOPS  
ALL OTHER ROUTES WILL REMAIN THE SAME**

**IF YOUR CHILD’S STOP IS:**
