Children's Choices 2018 Reading List

Children's Choices is a reading list with a twist! Children evaluate the books and write reviews of their favorites. Since 1974, Children's Choices has been a trusted source of book recommendations used by teachers, librarians, parents, caregivers, and children themselves -- everyone who wishes to encourage young people to read for pleasure!

The project is cosponsored by the International Literacy Association and the Children's Book Council.
