**RE: CLEARINGHOUSE REGISTRATION FORM (ELECTRONIC VERSION)  
REQUEST FOR ADJUSTMENT OF INFORMATION –  
TOWN CORRESPONDING TO ZIP CODE**

NAME: \_\_\_\_\_

PIN # : \_\_\_\_\_

I recently submitted the NCAA Initial Eligibility form electronically and have been advised by my school (Kinnelon High School - #310667) that I need to forward the following information in relation to the town corresponding to the zip code entered on registration form:

07405 defaults to Butler, New Jersey (US POSTAL SERVICE DATABASE) and appears on my form

HOWEVER, Kinnelon, New Jersey, the town in which I live, shares the same zipcode. Therefore, I respectfully request that information on registration form be adjusted accordingly.

Thank you for your assistance in this matter.
