PRM

- STEM Night took place at the end of March. Students participated in two different STEM-related events. PRM would like to thank Mr. Castano, Mr. Potzer, and the KHS student volunteers and also thank Mrs. Travaille for coordinating this event.
- The Science Expo took place in mid April, in which 8th grade students displayed the projects they worked on over the course of the year. PRM is proud of their students for the commitment they showed, and they would like to thank the science teachers and Mrs. Travaille for their work in preparing for this event.
- The PRM Play, "Bye Bye Birdie," is coming this weekend! There will be performances at 7:00 PM on Friday and Saturday in the KHS Auditorium. The cast, crew, directors, and parent volunteers have all been working very hard for months to prepare for these performances, and we are eager to share them with our community. Tickets are available on the PRM Website, and will also be sold at the door.

Stonybrook School

- Stonybrook hosted Kate Messner for the Author Day event. Thanks to KEHSA for bringing her to our school! In honor of her visit, we did a "One School, One Book" program. We kicked it off by having Mrs. Mulholland and Mrs. LaFergola YouTube live the first chapter to the whole school at the end of the day. Homerooms continued to read the book before in preparation for her visit

- The Stonybrook Kindergarten Classes wrapped up their Superpowers Reading Unit with a scavenger hunt around the school. Students followed clues that led them to their beloved stuffed elephant, Mabel, who was found by the library with a basket of reading wristbands, bookmarks, and stickers for the students!
- Fourth Grade classes learned about the American Revolutionary War. They read and analyzed information across multiple texts, then wrote research reports on a subtopic of their choice.
- Fifth grade language arts just finished their argument essay unit. They read, debated, and wrote essays that were packed with evidence. They were quite convincing!
- The Tricky Tray brought in over \$40,000 in donations. Our K-5 students and staff are thankful for the generosity of our families.
- NJ Student Learning Assessments in grades 3 and 4 this week. Fifth grade testing begins on May 2nd.
