Dr. Anthony Riscica  
Interim Superintendent

July 2022

Greetings Kinnelon School Community,

I want to take this opportunity to introduce myself as Interim Superintendent of the Kinnelon School District. First and foremost, I want to thank the Board of Education for giving me this opportunity. I am both happy and excited to be working in this outstanding school district and wonderful community.

My experience in education includes teaching, administration and superintendent with over 40 years of experience. As a retired superintendent I have spent the last eight years as an interim superintendent working in four districts within Bergen, Morris and Passaic Counties. My role is to continue to oversee district policies and operations to meet the needs of students, staff and the community and to ensure a smooth transition to the incoming permanent district superintendent.

I was formally appointed by our Board of Education at the June 30th meeting and began working in the district on July 1st, 2022. In this short time period I have met with the entire administrative team with the priority of building a collaborative environment and preparing for the start of the 2022-2023 school year. Please know that interviews with candidates for available positions have been ongoing and we have a keen eye for those who we believe will be the best educators to work with our students.

I look forward to working with all of you and want you to know I will be sending out updated information in mid August.

Enjoy the rest of your summer,  
Sincerely,

Dr. Anthony Riscica
