

Dear Parents,

We are the Dream Builders, a 3rd grade Destination Imagination (DI) Team. We are completing a Service Project for our DI challenge. We are collecting Toys for ages 4 and under and Video Games for ages 5 and older (please no mature games) to create a Toy and Video Game Lending Library at Kinnelon Public Library. Toys and video games can be very expensive, and not every family can afford to buy new toys and games. We also hope to set up a gaming system at the library that children can meet up with friends and play.

With the holidays approaching, we are hoping that you will consider donating any gently used toys and video games to our service project. We have drop off locations at both Kiel and Stonybrook Schools, in Smoke Rise, Kinnelon Estates, and Fayson Lakes, and at the library. We are also willing to pick up toys from you.

We will be collecting toys until December 14, 2018. Please feel free to contact our Adult Team Leader at: klink1977@gmail.com.

Thank you,

The Dream Builders
