Michele Fisher, Principal

August 14, 2018

Kiel Families and Friends,

I would like to take this opportunity to introduce myself. My name is Michele Fisher and I feel very fortunate to have been selected as the next principal of Kiel School. Over the last few weeks of summer, I will be devoting my time to getting to know the building, the school's community, and the wonderful staff. Already, I have heard so many great things about Kiel!

I have been in elementary education for over 18 years. I started my teaching career as a third grade teacher in a science and technology magnet school in Somerset County. I have also taught fourth and fifth grade in the Flemington-Raritan Regional School District. For the past 7 years, I have been the Rtl Coordinator, GT teacher, Enrichment specialist and acted as a literacy coach at Robert Hunter Elementary School, a K-4 school, in Flemington, New Jersey. I earned my Bachelor's Degree in Elementary Education with a minor in History from Trenton State College and my Master's Degree in Educational Leadership from Montclair State University.

My family has had a huge impact on my educational career. My husband and I are proud parents of four amazing daughters ages 17, 15, 12, and 11. Each one of our daughters have chosen such diverse interests ranging from horseback riding and softball to baking and architecture. They constantly show us how diversity brings out the best in everyone. My family resides in Hunterdon County, New Jersey. We enjoy living on a small farm with chickens, goats and soon to be horses! We enjoy camping, trips to LBI and cooking together as a family.

For me, the first day of school can't get here fast enough as I am eager to get to know all of you and your wonderful children. I believe that one of the most important aspects of my work as Principal of Kiel School is building meaningful relationships with students, families and teachers. It will be very important for me to be in the hallways, classrooms, on the playground and in the lunchroom getting to know your children throughout the year. If ever you have a concern, please do not hesitate to call the main office or email me. I believe open communication is very important.

Enjoy the remaining days of summer and I look forward to our first day on September 6th!

Michele Fisher
